

## **DROX HEALTH SCIENCE PRIVACY NOTICE**

Be sure to read this privacy notice before providing your personal data. If you do not agree, you must not provide any personal data. If you provide your personal data, your consent will be tacitly understood, according to this notice.

Clinical Research PS Mexico, S.A. de C.V. is a Mexican company, with headquarters located at 2974 Diagonal Golfo de Cortés, Vallarta Norte, Guadalajara, Jalisco, C.P. 44690 (hereinafter "**DROX**").

**DROX** is responsible for the use and protection of your personal data, in that sense and in accordance with the legal obligations established in Mexican legislation, through this, the owners are informed of the data that we collect and its purpose.

### **The Purpose:**

**DROX** only obtains the personal data of its owners, either because it has a legal and/or commercial relationship with the holder, or because it could potentially have one. Personal data may be collected through electronic, optical, sound, visual means, or by any other technology or other sources that are permitted by Mexican law, in order to establish an academic, legal and/or commercial relationship.

**DROX** will only collect personal data that serves the purpose of establishing a first contact with the Holder, such as "name", "mail", "telephone" and all information that the Holder may share in the "Message" section and/or by email.

Personal Data may be collected when:

- a. The Holder provides them personally.
- b. Obtained legally in the public domain.

### **Transfer of the Personal Data:**

In some cases, **DROX** may share or transfer the personal data with affiliates, agents, contractors or partners, when said individuals or entities perform the provision of their services to this company. These contracting agents or partners are restricted from using the information or personal data for any purpose other than the existing or potential commercial and/or legal relationship between you and this company.

Nevertheless, it is **DROX's** commitment that the Holder's personal data will be treated under the strictest security measures, to guarantee its confidentiality.

### **Access, Rectification, Cancellation and Opposition Rights:**

We inform you that you have the right at all times to know the personal data we have about you and the reason why we have requested it. Likewise, you have the right at all times to request **access** to said information, **rectification** of your data in case they are outdated, or inaccurate or that the information is incomplete, **cancellation** so that said information is eliminated from our database, and/or right of **opposition**, that is, oppose the use of your personal data for the specific purposes indicated in this document.

To exercise any of the aforementioned rights (access, rectification, cancellation, opposition), you may submit a request by email to [contacto@droxhealth.com](mailto:contacto@droxhealth.com), indicating the right you wish to exercise and its due justification.

**Sensitive Data:**

We inform you that we will not request sensitive data from you: those that may reveal aspects such as racial or ethnic origin, current state of health and future, genetic information, religious, philosophical and moral beliefs, union affiliation, political opinions, sexual preference.

**Privacy Notice Modifications:**

We inform you that any changes to the privacy notice will be made known to you by email, or through our website, so we suggest you consult it regularly.

*Last modification: October 19, 2022.*
